Official Form 309D (For Corporations or Partnerships)**Notice of Chapter 7 Bankruptcy Case -- Proof of Claim Deadline Set**

12/2015

For the debtor listed above, a case has been filed under chapter 7 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, the debtor, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtor or the debtor's property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtor. Creditors cannot demand repayment from the debtor by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records) at pacer.insb.uscourts.gov.

The staff of the bankruptcy clerk's office cannot give legal advice.

Do not file this notice with any proof of claim or other filing in the case.

These services may not be available at all locations.	Location: Rm. 157 Federal Building 101 NW M.L. King Blvd. Evansville, IN 47708

For more information, see page 2 >

8. Proof of claim deadline The bankruptcy clerk's office must receive proofs of claim by the following deadlines.	Deadlines for filing proof of claim: A proof of claim is a signed statement describing a creditor's claim. Instructions to obtain a proof of claim form or to file electronically can be found at www.insb.uscourts.gov/filing_claims.html . A proof of claim form can also be obtained from any bankruptcy clerk's office.	For governmental units only: January 29, 2018
	If you do not file a proof of claim by the deadline, you might not be paid on your claim. To be paid, you must file a proof of claim even if your claim is listed in the schedules that the debtor filed.	For all others: December 14, 2017
	Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits the creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.	
9. Creditors with a foreign address	If you are a creditor receiving a notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have a question about your rights in this case.	
10. Liquidation of the debtor's property and payment of creditors' claims	The bankruptcy trustee listed on the front of this notice will collect and sell the debtor's property. If the trustee can collect enough money, creditors may be paid some or all of the debts owed to them in the order specified by the Bankruptcy Code. To ensure you receive any share of that money, you must file a proof of claim as described above.	
11. Abandonment of property	Pursuant to S.D.Ind. B-6007-1, a trustee's report of no distribution serves as a notice proposing the abandonment of all property from the estate. No further notice of the abandonment will be given unless a party in interest files a request for further notice of abandonment no later than one day before the first date set for the 341 meeting. Any party filing such a request will be given notice upon filing of the report of no distribution and have 14 days to object to the abandonment.
